Dear [Redacted]

It is with great pride that I offer my congratulations as you conclude a long and valued career with FBIS. With your 21 years of service at Panama Bureau, you have seen it grow markedly to the point that it is today one of the largest and most technically sophisticated. Your efforts have played no small part in its successes over the years. Notably, in 1976, you played a major role in upgrading the bureau's newspaper exploitation program, an effort for which you received a well deserved Quality Step Increase.

I know I speak for many others when I offer my best wishes to you and your family for your health and happiness in retirement.

Sincerely,

[Redacted Signature]

Director
